WHAT IS THE CIRCLE?

The Circle of Trust, Atlanta's fastest growing and most diverse commercial real estate networking group, focuses on building the city's premier CRE network by inviting the best and the brightest architects, attorneys, brokers, bankers, contractors, developers, interior designers, property managers and more to make connections, and to make deals, in an informal, energetic setting at networking events all around this great city.

WHO ATTENDS CIRCLE EVENTS?

Circle events are attended by 150-175 mid and executive level commercial real estate professionals at world class venues across Atlanta. All of the components necessary to execute a real estate venture are in the same room...relationships are paramount to our business. What better way to build upon existing relationships, or to forge new ones, than in one of the hottest venues in town!

HOW MUCH... AND WHAT DO I GET?
